The HHS Dance Academy Summer Dance Intensive offers an environment where the aspiring dancer can work hard and challenge themselves. Dancers develop strength, flexibility, musicality and precise technique in a positive, inspiring, and fun environment!

This week-long/four-day program is designed for students who possess a desire to work on their technique and artistry this summer. The program runs 4 hours daily, Monday through Thursday for one week (number of days is optional; however, we recommend that students attend the full, four-day intensive in order to get the most out of the program.)

Students will train in Ballet, Contemporary and Hip Hop with professional dance educators and teaching artists, and the summer dance intensive is open to students of all levels.
