

MIDDLE SCHOOL ATHLETIC ACADEMIC EXPECTATIONS 2021-22

We at Conyers Middle School believe in focusing on students' academic and social emotional needs. To ensure we support all students, middle school athletes will be required to maintain good academic standing for the school year. Students who do not maintain good academic and/or behavior standing will not be able to participate in their respective sport(s). Student progress will be reviewed every 4 ½ weeks, utilizing progress report grades and behavior reports. Academic or disciplinary concerns may result in students being ineligible to participate.

Good Academic Standing = Passing 3 of 4 Core Content Courses

Good Behavior Standing = Criteria outlined in your designated sport's contract

Academic performance will be reviewed on the schedule outlined below. Students who do not meet the **Good Academic and Behavior Standing** criteria on these dates will be ineligible to participate in Conyers Middle School's Athletic Program (including practices). Ineligible status will remain active until the next Academic Review Date.
